

## Swavesey Primary School Pupil Premium Report (Academic Year 2015/16)

<b>Overview</b>	The Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it most. The funding is allocated to Local Authorities and schools with pupils from Reception to Y11 who are eligible for free school meals (FSM), are looked after or have parents currently in the Armed Forces. From April 2012 the coverage of the Premium was widened to include those eligible for FSM at any point in the last six years and those who have been adopted from care.		
<b>Total amount allocated</b>	<b>Allocation for the academic year 2015-2016</b>  <b>£37,540</b> (The number of children per year group is very small and so data/information provided is given in a holistic manner in order that identities of children are protected)		
<b>How the money was spent during the last academic year.</b>			
<b>Activity/intervention funded</b>	<b>Cost overview</b>	<b>Expected Impact</b>	<b>Actual Impact from September 2015 to July 2016</b>
Continued staff training for both teachers and teaching assistants (TAs)	<ul style="list-style-type: none"><li>• Training costs £4000</li><li>• Supply cover £2400</li><li>• Resources £1200</li></ul>	Quality teaching will be the key to increased standards. 85% of pupil premium children will make good or better progress from their starting points.	Training undertaken ensured all PP pupils received good quality teaching, activities which engaged and motivated them. It also made sure that our teachers and TAs used key strategies and methods linked clearly to the new curriculum and expectations.
1 <sup>st</sup> class at number (KS2) intervention	<ul style="list-style-type: none"><li>• TA pay to provide sessions £4680</li><li>• Ongoing resources for the intervention £200</li></ul>	Each intervention has its own measurable progress indicators but we want to see evidence of this being transferred into everyday classroom activities and the children's general progress.	Children within the programme made on average 10 months progress in their mathematical understanding. Data from Sandwell assessment.
1:1 and small group tuition for Yr4/5/6 in Maths	<ul style="list-style-type: none"><li>• Teachers' pay for year £4480 incl. oncosts across year</li><li>• Resources for intervention £350</li></ul>		
Success @ Arithmetic (Upper KS2) intervention	<ul style="list-style-type: none"><li>• Teacher &amp; TA pay to provide sessions £6700 incl. oncosts</li><li>• Ongoing resources for the intervention £300</li></ul>		Children within the programme made on average 8 months progress in their mathematical understanding. Data from Sandwell assessment.
Booster sessions for Yr6 PP children to support progress and attainment	<ul style="list-style-type: none"><li>• Teachers' pay to provide sessions £1800 incl. oncosts</li><li>• Resources for sessions £300</li></ul>		Work scrutiny showed these children were embedding skills learnt within their ongoing class work.
Sir Kit's Quest – English	<ul style="list-style-type: none"><li>• TA pay to provide</li></ul>		Work scrutiny

## Swavesey Primary School Pupil Premium Report (Academic Year 2015/16)

Intervention (lower KS2)	<p>sessions £350</p> <ul style="list-style-type: none"> <li>Resources for intervention £250</li> </ul>		highlighted how children were using the skills learnt through the programme into practice and their writing had progressed significantly from the start of the intervention.
Switch on intervention (Yr3s)	<ul style="list-style-type: none"> <li>Teacher &amp; TA pay to provide sessions £1200 incl. oncosts</li> </ul>	<p>This is a pilot project we are engaged in and although resources are funded we need to meet Teacher and TA costs. Initial indications from research show the methodology should be supportive to progress in basic skills. For our PP children we will use the intervention data but also moderation to see how the skills are being developed across the curriculum.</p>	The programme proved very successful and all children involved made significant progress as shown through the work evident in their writing books and improved reading scores.
Financial support towards residential trip in Yr6 and other trips and visits across remaining year groups	£719.70	Children are able to attend the activities and gain confidence as well as skills. Children to develop their social skills and to gain experiences beyond those within their normal home life.	Through pupil interviews children voiced their successes, enjoyment and appreciation of the experiences gained. Anecdotal evidence has shown that all children developed confidence.
Financial support towards music lessons	£450	Children gain confidence and pride in themselves. They acquired a new skill	Through pupil interviews children voiced their successes, enjoyment and confidence gained.
Financial support towards extra-curricular activities and related equipment	£1760	Children gain confidence and pride in themselves. They acquired a new skill	Anecdotal evidence has shown that all children developed confidence. Additionally, concerts, competitions and other performances showed children's developed skills.
Support for children with physical development/medical needs	<ul style="list-style-type: none"> <li>Equipment £500</li> <li>Pay for HLTA to run sensory circuits programme £1480</li> <li>Pay for TA hours at play times £2000</li> </ul>	<p>Children to be better supported at playtimes to integrate and physically be able to join in with games and activities. Children to become more confident and develop their motor skills in order to access activities such as sports day.</p>	Children supported in this way have been able to access more within playtimes and their motor skills have developed. All children were able to take part in sports day and other physical challenges such as Sports relief mile independently.

## Swavesey Primary School Pupil Premium Report (Academic Year 2015/16)
