INTRODUCTION

Dear Parents & Carers

Watch this [video](#) for all of the Primary School uniform requirements and helpful sizing hints.

We have designed this booklet to help you order your school uniform with ease. Given the current COVID-19 situation we have added some additional information to try and make it as easy as possible.

We understand how difficult it can be when buying school uniform as children's sizes can be so different. With this in mind, we have created a [measuring guide video](#) to help you get the correct fit for your child.

We have been supplying school uniform for over 30 years and to help you we have included our "[Hints and Tips](#)" so you get the right fit for your child, along with reminders of other items you might need.

We always encourage parents to order as soon as possible to ensure you will have the correct uniform for back to school. You will see the link to order your school uniform on the front page of this booklet. Orders can also be placed via your school website. Click [here](#) for information regarding our Click & Collect service.

Our delivery times are 10 working days and delivery is FREE when you spend over £50.00 from 1st-30th June.

We are working on social distancing measures for our shop, along with COVID-19 retail guidelines and hope to re-open mid-June. If you would like to visit the shop, please check our [Facebook](#) page and our [website](#) before visiting to ensure that you have the most up to date information before you travel.

We are here to help you, if you have any questions please call our Schools Team on 01733 394758, contact us via live chat on our website or email customerservices@totalclothing.co.uk who will be happy to advise you.

Kind regards

Christine, Laura, James and Ben
