

Olympic Legacy Sport Funding at Swavesey Primary School

In April 2013, the Government announced new funding for Physical Education and Sport in Primary Schools, which should be used to improve the quality and breadth of PE and sport provision. Schools are free to determine how best to use this funding and are expected to publish the funding allocations they receive and details of how the funding is to be spent.

Encouraging enjoyment of sport and physical activity is part of life at Swavesey and we are all keen to build on the Olympic Legacy of enthusiasm and interest in sport. Our spending to date and our projected spending is detailed below.
