

## Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Stuart walked his usual route from the bus stop and rang his doorbell.

Feeling certain that he was exactly where he should be, Stuart rang the doorbell again.

Stuart caught his usual bus home from school.

Stuart discovered that his usual neighbours had been replaced with complete strangers.

Stuart found himself face to face with a complete stranger.
