

## Swavesey Primary School Year 5/6 weekly overview

Week beginning: 11.1.21

### Tasks

#### Weekly spelling

##### 20 spellings

(Please learn and test at the end of the week)

There are ten Year 5 spellings and ten Year 6 spellings. Year 6s must learn them all. Year 5s must learn and Year 5 spellings and can choose to also learn the Year 6 spellings if they wish.

Spellings can be accessed via the purplemash 'Spring 2021 Homework folder' in the correct week. Children have used this same system in the Autumn term and so should be familiar with where to find their spellings.

Folders are labelled as follows:

Week 1 Date 8.1.21 Homework (The date given is the Friday homework is 'given out')

### English Tasks

#### Monday

- 1) **Read** Chapter 1 of 'Planet Earth?'. This will be **set as a 2Do**.
- 2) Complete the **multiple choice online quiz** for Chapter 1. This will be **set as a 2Do**.
- 3) Print or write down the questions for the **sequencing questions, SPaG and open ended questions** for Chapter 1 and complete.

These activities are **set as PDFs** and are to be **marked at home**. Answers are given on a separate answer sheet, which is **sent as a PDF**. Open ended answers are just an example of how the question could be answered.

**Video recorded to support this session**

**Title:** Yr 5.6 WB 11.1.21 English lesson 1 Planet Earth

**Link:** <https://vimeo.com/498285089>

#### Tuesday

- 1) Watch the video for English lesson 2. LO: To use a wider range of emotion language. Slides from the video are also saved as a **PDF** if that is helpful.
- 2) Complete the tasks given in that video and email your sentences to your class teacher.

**Video recorded to support this session**

**Title:** Yr 5.6 WB 11.1.21 English lesson 2 Emotion language

**Link:** <https://vimeo.com/497965863>

#### Wednesday

- 1) Watch the video for English lesson 3. LO: To recount a time I was lost. Slides from the video are also saved as a **PDF** if that is helpful.
- 2) Complete the set **writing task** inspired by the chapter you have just read; this week the task is called 'Lost', recounting as a diary a time you were lost. This will be set on Purple Mash **as a 2Do**. Save, but do not 'Hand in' today, but wait until after Thursday's editing lesson.

**Video recorded to support this session**

**Title:** Yr 5.6 WB 11.1.21 English lesson 3 Diary writing

**Link:** <https://vimeo.com/497967079>

## **Thursday**

### **1) Edit your current writing task (Lost)**

Having had time away from your piece of work, edit your writing for the non-negotiables, for punctuation and to see if you can up-level your vocabulary choices to be more specific or engaging. Then 'hand in' your work to your teacher via purplemash. Your teacher will mark all your writing pieces before the next Thursday for you to then make any changes based on their feedback.

### **2) Enjoy listening to our new class spine text Skellig. Today we will read chapters 1-7.**

**Video recorded to support this session**

**Title: Yr 5.6 WB 11.1.21 English lesson 4 Reading Skellig**

**Link: <https://vimeo.com/498270780>**

## **Friday**

### **Pobble 365**

Complete the Pobble, which a teacher will talk through in a video. You can print this out or simply write down your answers on paper. This is saved as a **PDF**.

### **Spelling test**

Listen to the recorded lesson reading out the spellings and then mark your spellings. Then email your teacher your score.

**Video recorded to support this session**

**Title: Yr 5.6 WB 11.1.21 English lesson Pobble and Spellings**

**Link: <https://vimeo.com/497911098>**

## **Reading**

At least 20 minutes reading each day. This might be reading or being read to.

## Maths

### Monday

Watch the lesson video and then complete the lesson 1 multiplication 20420. Then mark using the marking slide. Slides can be found in lesson 1 in the **Maths lessons slides PDF**.

Video recorded to support this session

Title: Yr 5.6 WB 11.1.21 Maths lesson 1 20420 Multiplication

Link: <https://vimeo.com/497919320>

### Tuesday

- 1) Write your own 10410 (10 questions), 20420 (20 questions) or 30430 (30 questions) with a multiplication focus.
- 2) Then write a set of answers. You can check your answers with a calculator. Then take a photograph and send your 10410s, 20420s or 30430s to your teacher on purplemash.
- 3) Bonus: Create your own extension task (it can be similar to yesterday's extension task) and complete at least 5 answers.

### Wednesday

Watch the lesson video and then complete the lesson 3 fractions 20420. Then mark using the marking slide. Slides can be found in lesson 3 in the **Maths lessons slides PDF**.

Video recorded to support this session

Title: Yr 5.6 WB 11.1.21 Maths lesson 3 20420 Fractions

Link <https://vimeo.com/497932821>

### Thursday

- 1) Write your own 10410 (10 questions), 20420 (20 questions) or 30430 (30 questions) with a fractions focus.
- 2) Then write a set of answers. You can check your answers with a calculator, where possible, or if able ask an adult. You may take a photograph and send your 10410s, 20420s or 30430s to your teacher on purplemash. If you feel really unsure about any questions, you can email your teacher and ask for some help. 😊
- 3) Bonus: Create your own extension task (it can be similar to yesterday's) and complete at least 5 answers.

### Friday

Watch the lesson video and then complete the lesson 5 miscellaneous 20420. Then mark using the marking slide. Slides can be found in lesson 5 in the **Maths lessons slides PDF**.

Link: <https://vimeo.com/497934085>

## Science Tasks

Our new topic is 'Earth and Space'.

This week you will be learning about our solar system.

- 1) Go onto the BBC bitesize solar system link below.

Watch the video, read the key facts, put the planets in order and complete the quiz.

<https://www.bbc.co.uk/bitesize/topics/zdrrd2p/articles/ztsqj6f>

- 2) Watch this rap on the solar system (it's great!) and make notes on what you find out. You will need this information for next week's lesson. I'd suggest watching the first part of the video, which focuses on all the planets in the solar system at least twice and pause when you need, in order to write your notes. You only need to watch up to 8 minutes 7 seconds.

<https://www.youtube.com/watch?v=BPTcFmdcsoQ>

## Geography tasks

### Topic this term will focus on Geography

- 1) This week we are looking at what longitude and latitude are.

Watch this song to get an introduction. There is even a karaoke version at the end if you want a go at singing it!

<https://www.youtube.com/watch?v=MjDqhLUzCpE>

- 2) Watch the recorded video for Geography lesson 1 Longitude and Latitude. Be ready to make notes as you will need those for the task.

- 3) Complete the given task of drawing the globe with longitude and latitude lines, labeling key features and answering questions.

A **PDF** of the powerpoint and the task will be available.

**Video recorded to support this session**

**Title: Yr 5.6 WB 11.1.21 Geography lesson longitude and latitude**

**Link:** <https://vimeo.com/497983257>

## Art

We are hoping to create space inspired art work inspired by Peter Thorpe.

This week simply Google 'Peter Thorpe space art' and start looking at lots of his pictures. The more you look at the better idea you will have of his work! Then ask yourself the following questions.

What materials do you think he uses?

How would you describe his style?

Which is your favourite picture and why?

What might you include if you were to make an image inspired by his work?

## Music

### Gustav Holst – The planets

Listen to the whole 49 minutes of Gustav Holst's 'The planets'. Each section of the music represents one of the planets and we will take a closer look at these in following weeks.

You can listen to it at the link below. You can also see on the video when the music sections change to represent another planet. Enjoy!

Questions to ask yourself:

What instruments can I hear?

How does this part of the music make me feel? (Tense, relaxed, excited, calm etc)

You may like to read or draw whilst listening.

<https://www.youtube.com/watch?v=Isic2Z2e2xs>

## Computing

### Blogging

You may have started a blog on purplemash with your class teacher last term. If so, use this time to update and add to your blog.

If you haven't started one yet, explore how to set up a blog by using '2blog' on purplemash to do so. To get going simply search 2blog in purplemash and create a pupil blog using the green plus symbol. If you get stuck, you could email a friend or your teacher for some help.

## P.E

Joe Wicks is returning to do live 'PE with Joe' videos on a Monday, Wednesday and Friday. These can be watched live or at another time if more convenient. These are great videos to use for exercise or feel free to choose others. Simply go onto youtube and search PE with Joe Wicks.

## French

- 1) **French:** Watch both of Madame Millard's French lesson videos.

**Videos recorded to support this session**

**Title 1: Yr 5.6 WB 11.1.21 Welcome back Madame Millard**

**Link:** <https://vimeo.com/497896342>

**Title 2: Yr 5.6 WB 11.1.21 Week 1 French Epiphany in France**

**Link:** <https://vimeo.com/497898243>

- 2) Remember you can also enjoy more French by using your duolingo account.

Go to [www.doulingo.com](http://www.doulingo.com) See Mrs Leonard's crib sheet for how to use this, which is saved as a PDF.

### Other

**1) Homework** for this week is saved in purplemash. Work folder, Class folder, Homework folder, Spring 2021 Homework folder, Week 1 Date 8 1 21 folder.

**2) Assemblies**

There will be a live assembly with Mrs Norden at 10:15 on Monday morning. See emails for how to attend.

Watch out in emails for links to other assemblies during the week from Mrs Norden and other members of staff.

**3) Live session with your class teacher**

You will have a live session with your class teacher on a Tuesday afternoon at 2:40 for 15 minutes. Please be ready at 2:35 to sign in so that the session can start promptly at 2:40. Details will be emailed to you for how to access these live sessions.
