

## Task 1

MODULE 3, LESSON 1, RESOURCE SHEET 1

# IS IT ELECTRICAL?

Cut out the pictures below.

Sort them into those that use electricity and those that do not use electricity.  
Stick them into your book and label the sets.

## Task 2

MODULE 3, LESSON 1, RESOURCE SHEET 2

# MAINS OR BATTERY?

Cut out the pictures below.

Sort them into those that are mains powered and those that use batteries.  
Remember to think about where rechargeable devices go.

Stick them into your book and label the sets.

Extra Challenge: How is it powered?

# HOW IS IT POWERED?

Cut out the pictures below.

Sort them according to how they are powered. Decide how many sets there will be and what they will be labelled.

Stick the pictures into your book.
