

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Lucy described what she had seen the night before.

Stuart and Marco realised that they had both been through a similar experience.

Lucy convinced the boys that they should enter the old power station.

Lucy led the boys to an opening in the wire.

The boys were approached by a girl called Lucy.
