21<sup>st</sup> April 2023

Dear Parents/Carers,

Welcome to the Summer term. We hope you had a lovely Easter and are looking forward to the warm weather and longer days.

This term our topic is *Castles (please see overview)*. If you have any knowledge or resources you would like to share please send information to the school office for the attention of your child's class teacher. To support our learning about castles we are in the process of organising a trip to Hedingham Castle after half term. More information relating to this will be sent out soon.

Your child will be bringing home a new sheet of 'Castles' homework activities for their Topic Homework Book. Once a piece of work has been completed you can either take a photograph and upload to Purple Mash or send the work into school with your child to share with the class on a Friday. Work uploaded to Purple Mash can be accessed by your child's class teacher and then be shared with the class. At the end of term we will have a celebration when certificates and smiley faces will be awarded for their hard work.

Your child will continue to receive their spelling and maths homework via Purple Mash 2email on a Tuesday. Spellings will be tested the following Monday and maths facts the following Tuesday. If you are having any difficulties accessing this information please contact your child's class teacher.

Your child should aim to practise these spellings and maths facts for a few minutes every day. Please continue to read, share and enjoy books with your child daily. We will continue to send school reading books home but please remember to return these promptly once read.

Please ensure your child wears their named PE kit to school, with earrings removed and long hair tied back, on their PE days. If there are changes to PE days due to organisational matters then we will inform you via email.

Foxes – Monday and Tuesday

Squirrels – Monday and Tuesday

Otters – please see separate communications for Otters PE organisation

If you need to discuss anything in this letter in more detail, please don't hesitate to email the office to contact your child's class teacher.

Thank you for your continued support,

Year 1/2 Team
