

### **English – Text based on A Horde of Ravens**

Children will be developing their writing skills through a range of text types (campfire stories, character descriptions, book reviews and poetry) by using the narrative 'A horde of Ravens'. They will also be writing recounts and having a chance to free write

### **PE**

Children will be developing the necessary skills to play cricket, tennis and enjoy athletics

### **Art**

In art the children will be working on creating their own mosaic, having looked at Roman mosaics found in Britain.

### **Maths**

We will be following the Maths curriculum where we will be covering converting units of measure, statistics and revision of what has been learnt over the year. We will also be developing fluency, reasoning and problem solving skills.

Year 6's will also be learning exam technique to assist with their SATs.

### **P.S.H.E**

During PSHE sessions, classes will be discussing a range of situations and how to manage change and developing strategies to cope with these. They will also have dedicated lessons, on sex education. (You will be sent more information about this nearer the time).

### **5 Rs**

We will continue to encourage independent learning skills through promoting the 5Rs:

- Resilient,
- Reflective
- Ready
- Responsible
- Resourceful

### **Unit of Work**

#### **'The Roman Conquest: Its impact on Britain'**

Year 5 and 6  
Summer 2024

### **R.E. Philosophy and humanism**

Exploring what philosophy is and also looking at key humanistic ideas and beliefs

### **Music**

Children will be rehearsing songs for the end of year production.

### **Science – Evolution and inheritance**

Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago

recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents

identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

### **Computing and Design Technology**

- DT will focus on food and hygiene
- We will continue to use Purple Mash to look networks and information technology

### **History – The Romans**

During the term we will be looking at the Roman Empire and its impact on Britain. Children will learn about the Roman society and its organisation using a range of historical sources. They will understand the chronology of this historical period.

They will also investigate how land use has changed over time since the Romans and locate and name the main counties and cities in England, both in Roman times and today.

Children will be encouraged to develop their knowledge of the topic by asking questions and working independently to find out the relevant information to answer these.

### **Geography**

To compare the physical and human geography for various locations
