## Uniform Policy

Date: September 2026

Date for review: September 2027

Source: School (using guidance from DfE)

Our uniform supports our children to feel a part of our school community and helps us to avoid competitiveness that branded clothing may cause leading to children feeling unhappy or being bullied.

Whilst we ask for our children to have specific items of clothing in certain colours, as you can see there is flexibility within this and items do not have to have the school logo on and do not have to be from a specific shop or a specific brand. We do use the company 'Total clothing' to provide our logo imprinted clothing/items, but you do not have to purchase them. We have a permanent stock of 'pre-loved' uniform items in the front entrance.
