

Using Pronouns and Other Nouns to Avoid Repetition

Warm-Up

How Can We Avoid Repetition?

Repetition is when something that is said or written is used over and over again, for example:

Gary ate supper when **Gary** got home. **Gary** enjoyed the food.

After its first use, instead of repeating 'Gary', we could replace further uses with pronouns to avoid repetition, such as:

Gary ate his **supper** when **he** got home. **He** enjoyed the **food**.

We can also replace the noun 'supper' with another noun which means the same thing (or simply use 'it').
