| Why are you trapped or locked away? Is it because of a nasty virus? Does someone not like you? Have you been kidnapped? | |
| Who are you trapped or locked away with? Describe them. What is their name? | |
| Where are you locked away? Is it your house? A building like a factory, school or shed? | |
| How do you feel? Why? | |
| How do you plan to escape? | |
| What happens in the end? Does your story have a happy or sad ending? | |
