

## Spelling, Punctuation and Grammar

1. Choose the correct spellings to complete the sentences below.

Conan thought it was essencial/essential for his carnyx to look special/spetial. It was a good job that Turi and Conan didn't have an official/offitial deadline because making the carnyx was a slow process.

2. Look at the sentence below. Explain why the commas have been used.

Then, taking a deep breath in, he puffed out his cheeks and blew.

--

3. What is the underlined phrase an example of?

For the next few weeks, Conan spent most days working with his uncle.

Tick **two**.

an adverbial of time

an adverbial of place

a fronted adverbial

a prepositional phrase

4. Rewrite the sentence below so that it is in the **passive voice**.

Conan fitted the head into place.

5. Look at the sentence below. Explain why a colon has been used.

Turi had told him he could choose any kind of animal: a boar, a snake, a dragon, or a wolf perhaps?

A colon has been used \_\_\_\_\_
